4. The project team is considering three alignment options for the “middle” segment of U.S. 20/26 from Midland Road to McDermott Road. A “no build” option is also being considered. Please provide the following information for the three new alignment options.

Option	Likes	Dislikes
1. Centerline <i>(widen the roadway from the existing center)</i>		
2. Shift to the north		
3. Shift to the south
